

Pringle Nature Center Home School Science Programs

2017-2018 School Year

Add environmental education enrichment to your home school curriculum by joining us for our monthly home school science series!

Your student will learn in the 197-acre outdoor classroom of Bristol Woods County Park/Pringle Nature Center through hands-on activities and exploration of our natural world.

General Information

- All students must pre-register as class size is limited to 15 students in each grade grouping and we also need to ensure there are enough supplies.
- Registration and payment can be done by the semester or the year, cash or check. Your enrollment in the program is not complete until your payment is received.
- **Registration Deadlines:** Fall semester and full year is due by September 9 and Spring semester is due by January 3. No phone registrations will be accepted.
- **We will go outside every session!** Students must come dressed for the weather. Please remember to bring a water bottle, sunscreen, and insect repellent in warm weather. Closed toed shoes must be worn. Rain gear if it is raining (we will not go outside if it is thundering and lightening). For cold weather, wear layers of warm clothing and boots and bring a warm hat and mittens. Please leave watches at home.
- The Pringle Nature Center reserves the right to terminate enrollment at any time if your child's behavior warrants dismissal.
- Mail or drop off registration and payments to:

Pringle Nature Center
9800 160th Ave
Bristol, WI 53104

K-2 Home School Science Registration and Payment
